

POGGI & ASSOCIATI

Press Release

The Poggi & Associati team expands in Bologna with six new professionals hired

The Poggi & Associati Bologna office grows thanks to the addition of six new professionals. Joining the taxation team are Monica Zafferani, as equity partner, Caterina Galassi and Matteo Veronesi, as salary partners, and Gloria Gaiba, Alessandro Alunni and Nicole Carloni, in the role of associate.

The group of new professionals boasts several years of experience, gained as partners and directors in the Big Four area with regard to Ms Zafferani, Ms Galassi, Mr Veronesi and Ms Gaiba, and is to consolidate the firm's tax department. This department has been assisting leading national and international groups, including listed ones, for a number of years in analysing and managing issues such as business tax, VAT, international, banking and financial taxation, capital planning and protection, M&As, and due diligence and tax litigation.

The new additions will significantly strengthen Poggi & Associati's expertise concerning transfer pricing; a specialisation it will continue to invest in, recognising its current crucial importance.

Luca Poggi, name partner and the firm's founder commented: *"I am very proud to welcome six new professionals to the P&A tax department. The work group joining us shares the same training, vision, expertise and client portfolio, and this uniformity will allow us to become a leading firm, including at a local level, for a number of industries. This is undoubtedly the best model for consolidating and continuing our growth."*

With more than 40 professionals, including 8 partners, Poggi & Associati has offices in Bologna and Milan. Founded in the 1980s, the firm is active in tax, legal and financial consultancy, providing tailor-made solutions to national and international clients. Poggi & Associati mainly deals with corporations, and is able to manage even the most complex operations thanks to its multidisciplinary teams.
